## Asbestos Analysts Registry (AAR)

### Registered Analysts

Updated March 15, 2012

To verify the current Registration status and proficiency testing performance of an analyst, please contact the affiliated organization. Registration by the AIHA Registry Programs is not a guarantee of the validity of the data generated by the analyst. Ensure that the analyst or his/her affiliated organization has the required state and local licensure prior to performing work. Registered Analyst status and inclusion on this document does not convey that the analyst or its affiliated organization is licensed or certified in the indicate state or any jurisdiction.

This web list is, at a minimum, updated quarterly after the each AAT round's results are posted. If you have any questions regarding or find any errors with this listing, please contact the AIHA Registry Programs' Manger, Carter Dezio, at (703) 846-0798 or [cdezio@aiha.org](mailto:cdezio@aiha.org).
